Editorial method

Scanned file corrected from Rokseth. Rhythmic durations augmented following our project's transcription conventions. Pitches, rhythms and mensural notation features checked and corrected against manuscript source. Text follows Mo.

Notes on the readings

Bar numbers refer to the transcription. "4.2" is bar 4, second note. Tr = triplum, Mot = motetus, Ten/T = tenor.

- Mot 4.1 breve partially obscured by the decorated initial

Reconstruction

In this sample, bars 5-12 of the tenor are encoded as an editorial reconstruction (MEI `<supplied>`) only to demonstrate how the edition shows reconstructed music; the marking is not an editorial claim about the source.
