Commentary

Editorial method

Scanned file corrected from Rokseth. Rhythmic durations augmented following our project's transcription conventions. Pitches, rhythms and mensural notation features checked and corrected against manuscript source. Text follows Mo.

Notes on the readings

Bar numbers refer to the transcription. "4.2" is bar 4, second note. Tr = triplum, Mot = motetus, Ten/T = tenor.

- Tr 7.2-4, 14.2-4, 33.2-4 Rokseth interprets this ligature as BSS
- 19.1-4 the two c.o.p. ligatures appear to be connected
- Ten 5.1, 30.1, 38.1 Rokseth gives a plica but here interpreted as the manner in which this scribe notates this ligature
- 27.1 'bis' written under tenor indicates from here to end is to be stated 'twice'
- 40.1 in the second statement of this last tenor phrase the notated version ends with an E breve and a 2B rest, but instead the motet must end here on a PL D
