Commentary

Editorial method

Scanned file corrected from Rokseth. Rhythmic durations augmented following our project's transcription conventions. Pitches, rhythms and mensural notation features checked and corrected against manuscript source. Text follows Mo.

Notes on the readings

Bar numbers refer to the transcription. "4.2" is bar 4, second note. Tr = triplum, Mot = motetus, Ten/T = tenor.

- Mot 23.3 dot not present in MS
- Ten 33 'iterum' annotation under tenor part here and two short strokes on staff second line indicates repetition of tenor statement
- 43-46 last 4 notes of second statement of tenor pitches to be replaced by these 4L notated at end of tenor part
