Commentary

Editorial method

Scanned file corrected from PMFC. Rhythmic durations augmented following our project's transcription conventions. Pitches, rhythms and mensural notation features checked and corrected against manuscript source Ivrea. Text follows PMFC edition.

Notes on the readings

Bar numbers refer to the transcription. "4.2" is bar 4, second note. Tr = triplum, Mot = motetus, Ten/T = tenor.

- The copy text for this transcription is the version found in Iv. Variants in other sources not yet noted. Tr 23.6-8 fed in PMFC edition
- Tr 24.7-9 fed in PMFC edition
- 50.3 c in PMFC edition
- Mot 60.1 descending plica in PMFC edition
- Ten 63.1 breve in Iv

Texts

Triplum

Flos ortus inter lilia quorum radix est Francia, quibus flagrat Sicilia, Ludovicus, vite via, qui spretu mundi alia spernens et sensibilia, septra nolens regaliajure paterno propria, sed minorum consorcia poli captans palatia, preconiret ecclesia. O quam bella felicia movet carni nocencia, spiritui utilia, sua fortis audacia, laudabilis milicia! Cui gladius scientia, cui lorica prudentia, galea sapientia; quibus jacet superbia, livor, gula, luxuria et mala quevis alia. Humilitate previa, religione socia, degente pacientia, devotionis gratia; O, quam mira victoria triumphantis ad alcia Dei regna celestia! O, quam felix memoria relinquentis ad varia miraculorum bravia! Omni sensu fulgentia reliqueras, cuius pia prece muniat gloria nos perhempnis virtus dia.

Motetus

Celsa cedrus ysopus effecta pro Libano Syon adoptavit, Ludovicus qui tiara leta diadema septraque negavit et devote Tolosanos pavit. Res hec mira, qoud rex in pastorem versus reges cunctos superavit, summi regni complectens honorem; mors, que reges calcat, exaltavit, qui nos Dei regat ad amorem.

Tenor

QUAM MAGNUS PONTIFEX
