Editorial method

Original MusicXML file from Cuthbert (which was transcribed from PMFC). Rhythmic durations augmented following our project's transcription conventions. Pitches, rhythms and mensural notation features checked and corrected against the Durham manuscript source. Text follows PMFC edition.

Triplum

Vos qui admiramini virgines, si virgini pro ceteris eligende dignati fuerimus nubere, dum nupsimus tanquam valde diligende. Ista pulcra specie humilis manerie ac opere virtuosa Turpis vestrum altera ausu nimis aspera necnon virtutes exosa. ista lux, nox nubila, ista velox aquila vos colubres gradientes ista super eterna. regnat vos in misera valle languentes egentes. ista virgo regia dulcis est amassia mea spousa que pia. Rex ego sum, hec regina. Quod tanta referimus? nos qui cuncta novimus dignam preelegimus et ut rosam hanc prespina urgite vos igitur quia tempus labitur et mors nos persequitur. huic servite, hanc vocate, quod si neclexeritis illam non videbittis gloriam quam cupitis, vos eya properate.
