Commentary

Editorial method

Scanned file corrected from PMFC. Rhythmic durations augmented following our project's transcription conventions. Pitches, rhythms and mensural notation features checked and corrected against Fauv. Text follows Fauv.

Notes on the readings

Bar numbers refer to the transcription. “4.2” is bar 4, second note. Tr = triplum, Mot = motetus, Ten/T = tenor.

- Tr 12.2 no descending stem in MS but figuration is implied by grouping of notes
- Mot 46.5 breve in MS
- Ten first F in tenor is not marked with a sharp though in iterations 2 and 3 an editorial sharp is suggested to avoid vertical dissonances with marked accidentals in upper voices
