Editorial method

Scanned file corrected from PMFC. Rhythmic durations augmented following our project's transcription conventions. Pitches, rhythms and mensural notation features checked and corrected against Fauv. Text follows Fauv.

Notes on the readings

Bar numbers refer to the transcription. "4.2" is bar 4, second note. Tr = triplum, Mot = motetus, Ten/T = tenor.

- The copy text is the version in Fauv. Tr, Mot, T at beginning of each voice part two marks that look like semibreve or minim rests, possibly a mensuration sign indicating imperfect tempus
- Tr 30 breve rest in Fauv
- 50.1 a mark that looks like a 3-breve rest or finis punctorum after this note

- 51 from here no music notation only underlaid text until end, missing notes supplied from PMFC edition, which uses Pn 571 MS
- Mot 24 clef change to c3
- T no tenor incipit underlaid in Fauv
- 31 'iterum' indicating repeat tenor

Texts

Triplum

Seruant regem misericordia et ueritas nec non clemencia. Judicij rex sedens solio malum tollit aspectu proprio. Rex sapiens dissipat impios insipiens erigit inseios. Impietas regis si tollatur iusticia thronus roboratur. Judicium causam determinat iustitia falsum eliminat mendicia rex qui libens audit. Omnes seruos impios exandit. Clemencia regis laudabilis seueritas eius terribilis bona terra cuius rex nobilis. Sed ueterre si sit puerilis. Melior est pauper et sapiens atque puer quam rex insipiens. Rex hodie est et cras moritur iuste ui uat et sancte igitur
