Commentary

Editorial method

Scanned file corrected from PMFC. Rhythmic durations augmented following our project's transcription conventions. Pitches, rhythms and mensural notation features checked and corrected against Fauv. Text follows Fauv.

Notes on the readings

Bar numbers refer to the transcription. "4.2" is bar 4, second note. Tr = triplum, Mot = motetus, Ten/T = tenor.

- Tr 12 last four notes not in MS
- 18, 39, 60 all three-note ligatures where the initial stem has been erased to make it a lig without propriety
- Ten 9 flat here but not at beginning of stave, remaining two staves of tenor have flat in signature position
