Commentary

Editorial method

Original MusicXML file from Cuthbert (which was transcribed from the PMFC editon). Rhythmic durations augmented following our project's transcription conventions. Pitches, rhythms and mensural notation features checked and corrected against manuscript source, Fribourg (NB there are many pitch differences in Fribourg, although some readings from PMFC were retained. See the variants list below). Text follows PMFC edition.

Notes on the readings

Bar numbers refer to the transcription. "4.2" is bar 4, second note. Tr = triplum, Mot = motetus, Ten/T = tenor.
