Commentary

Editorial method

Scanned file corrected from PMFC. Rhythmic durations augmented following our project's transcription conventions. Pitches, rhythms and mensural notation features checked and corrected against Ivrea. Text follows PMFC edition.

Notes on the readings

Bar numbers refer to the transcription. “4.2” is bar 4, second note. Tr = triplum, Mot = motetus, Ten/T = tenor.

- The copy text for this transcription is the three-voice version found in Iv. Variants in other sources not yet noted. Tr 3 the pitches and rhythms here look like the scribe has made corrections and are somewhat difficult to decipher
- 36.2 appears if stem erased on ligature to render B-B
- 45.1-3 Iv e e e
